

## TRAINING DELIVERED TO THE HIGHEST STANDARDS

Commissionaires is Canada's leading security provider. We have been training to the highest level of standards as well as protecting people and property from coast to coast for more than 80 years.

In today's competitive environment, ensuring employees have access to professional training and skill development are more important than ever, but most organizations do not have the time or professionally trained and qualified individuals to provide targeted training. Commissionaires has developed a wide range of training programs specifically for corporations and organizations across the country, taught by our qualified and experienced instructors. Our security training is second to none in the industry and we train to standards set by the Canadian General Standards Board (CGSB), with whom we receive independent certification. Our professional team of trainers meets the highest level of exacting standards and delivers private, personalized training either at your location or in our training facility.

We currently offer the following core curriculum of courses:

- > Security Guard Training
- > Security Supervisor Training
- > Security Training for Non Security Professionals
- > First Aid Training
- > Occupational Health and Safety
- > Workplace Management of Harassment, Conflict and Violence
- > Emergency Preparedness/Life Safety

## CUSTOMIZED PROGRAMS

Additionally, utilizing the strength of our history and experience of our professionals we can develop a custom curriculum on a wide range of topics to suit the precise needs of your trainees and deliver it where and when you need it.
